

REMARKS

Entry of this Amendment is respectfully requested since it alleviates the inconsistency in the specification with respect to the drawings. In particular it amends Fig. 8A in the specification, and adds reference to Fig. 8B, as is reflected in the formal drawings of this application.

Respectfully submitted,

By 
David BARNES, Reg. 47,407
for John VODOPIA, Reg. 36,299
Attorney
